ALDER CIRCUIT / CONCEPT SAMPLE

Multilayer PCB

SAMPLE SPECIFICATION SHEET

PLACEHOLDER - NOT FOR ENGINEERING OR PURCHASING

Construction	**Rigid multilayer PCB**
Layers	**4 / 6 / 8 (sample range)**
Base material	**FR-4 (illustrative)**
Board thickness	**1.6 mm (sample)**
Copper weight	**1 oz (sample)**
Surface finish	**ENIG / HASL (sample)**
Solder mask	**Green (concept)**
Data status	**Unverified placeholder data**

Alder Circuit is a fictional brand. This document demonstrates a website download.
All numerical values are illustrative and unverified. No certification is claimed.
Replace with manufacturer-approved information before any real use.
